

# Special Edition Cellular Modem Equipped Dranetz HDPQ Xplorer Package

Get Dranetz's top-of-the-line power quality and energy monitor, shipped in a soft carrying case with voltage cables, current probes and PC software.

This *POWERetc*-exclusive, special edition includes a remote cellular modem powered from the monitor. Thanks to the modem, you can configure the instrument, receive reports and alarms and download data without ever leaving your office. That means you'll only need to go to the jobsite twice – once to install and once to take down.

- Get this Dranetz HDPQ Xplorer Plus complete with all the necessary accessories and PRO-Flex 3-range (100.1000/5000A) probes
- Static IP browser via cellular modem for control, configuration and data retrieval
- No trips to service the Dranetz HDPQ Xplorer Plus. Check the data anytime from the safety of your desk

**Rental: \$1265 / Month\***

**Purchase: \$14,359\***

\*plus shipping, insurance and sales tax
